Comrade, times may be harsh, but the brotherhood never breaks . Even if **MAMA RAISED A STRONG BOY**, sometimes system still crash like weak capitalist machine . When the “General” gives wrong command, true soldier does not panic – he summons his **broskies** to get around chaos together. Remember, asking doubts won’t hurt the feelings of **Paprushka** at home making kompot. For all this we made a system , join it and always remember down with the capitalist pigs.
